

# Algebraic Expressions

↳ contains #'s, variables,  
& operation symbols  
(+, -, ×, ÷)

**variables** → a letter that stands  
for a #. (lower case)

- may use 25 letters  
(may NOT use 0 because  
of zero.)
- Write letters carefully:  
t, l, i, z
- To multiply (don't use x)  
2 • 3    2(3)    4g
